Jean Zeal

Dietary Aide - Galena-Stauss Hospital & Nursing Home

Jean Zeal, a Dietary Aide at the Galena-Stauss Hospital and Nursing Home, is a generous lady that strives daily to make life better for others, touching her fellow co-workers and the Nursing Home Residents' lives in largely unseen ways.

Take a moment and visit Jean in the kitchen as she prepares the salads and bakes the desserts; perhaps for a smile she just might share a taste. And while washing the dishes and pans each day is just part of the job, it is working and having fun with her co-workers and the residents that make her job enjoyable and rewarding.

For special events, such as the "Lets Make A Deal" Day, Jean went above and beyond, buying prizes for the game and donating cash for the wallets. She came early, helped "play" on her own time and at the end of her shift, she punched out, then stayed to "play" with the night shift. As Jean's colleague said, "Everyone had a lot of fun and I couldn't have done it without Jean!"

In her spare time what does Jean do? Well, cook and bake, of course, for her family. She also enjoys reading, working on her home and spending time with her granddaughters. Generous sharing, quietly making life better for others - *Thank You, Jean.*
